Re: Volunteer Vulnerable Sector Check

On this day _____ (date) _____ (name) has applied to volunteer with Walkabout Farm Therapeutic Riding Association Inc. It is a requirement of ours that he/she has a clean record as he/she will be in direct contact with children and vulnerable persons. His/her duties may require physical contact with program participants while on horseback to support them during their session.

Thank you for your assistance,

Jennifer Semach,
Founding Executive Director
